

NutreBeef® Beefmaker Textured 12

Product Purpose: NutreBeef® Beefmaker is a complete feed for growing and developing cattle.

Product Features:

- Highly palatable to encourage consumption
- Added fiber to promote rumen health
- Can be fed as a growing and/or finishing ration for weaned cattle

Feeding Directions:

Feed NutreBeef® Beefmaker Textured-12 to growing cattle as the sole ration.

Bring cattle on feed slowly over a 10 to 14 day period.

For cattle unaccustomed to a complete feed, bring on feed by providing hay for a minimum of 24 hours before initiating the 10 to 14 day transition period.

Provide plenty of fresh, clean water at all times.

CAUTION: Store feed in a clean, cool and dry location. Storage area should be free of insects and rodents. Do not allow animals access to feedstuffs that show signs of insect or rodent infestation. Do not allow animals access to hot or moldy feedstuffs at any time.
