

NutreBeef® Creep Feed

Product Purpose: NutreBeef® Starter Creep Feed is specially-designed to supplement your calves' pasture diets before they're weaned. Keep your calves on track to grow big and strong with a balanced formula including all the necessary vitamins and minerals.

Product Features:

- Nutritionally balanced supplemental feed to support growth for calves while on pasture before weaning
- A balanced formula that contains nutrients essential for growth and development
- Supplements declining milk availability

Feeding Directions:

- Feed 2 times per day, at the same time each day.
- Introduce feed gradually over a few days to prevent digestive upsets.
- Feed only what the calf or calves will completely eat before the next feeding. If feed is present at the next feeding, reduce the amount given. Do not allow feed to build up in the bunk and get moldy.
- Keep hay available at all times and feed a little extra hay when their appetite seems unusually high.
- Increase intake by no more than 1LB per head per day. Normal intake on full feed is 2.5 – 3% of animal's weight.
- Always have clean, fresh water available at all times.

Start Weight	0.5%	1.0%	1.5%	2.0%	2.5%	3.0%	Days required to reach full feed
300	1.5	3	4.5	6	7.5	9	8
400	2	4	6	8	10	12	10
500	2.5	5	7.5	10	12.5	15	13
600	3	6	9	12	15	18	15
700	3.5	7	10.5	14	17.5	21	18
800	4	8	12	16	20	24	20

CAUTION: Store feed in a clean, cool and dry location. Storage area should be free of insects and rodents. Do not allow animals access to feedstuffs that show signs of insect or rodent infestation. Do not allow animals access to hot or moldy feedstuffs at any time.

Product Information:

- Product code: 80671 – 50 lb. Pellet
UPC:7-22304-29106-8

Product Packaging:

Product Form Description:

Pellet – compressed product form providing consistent nutrition in every piece which helps eliminate sorting by the animal.

Guaranteed Analysis:

Crude Protein	Min. 14.0%
Crude Fat	Min. 2.5%
Crude Fiber	Max. 15.0%
Calcium	Min. 1.5%....Max. 2.0%
Phosphorus	Min. 0.5%
Salt	Min. 1.0%...Max. 1.5%
Potassium	Min. 0.6%
Vitamin A	Min. 4,000 IU/LB
