

Empower[®] Boost

Product Purpose: Empower[®] Boost is a high fat rice bran extruded nugget for working horses and hard keepers and is the perfect blend of fat and select nutrients that provides the energy your horse needs to work harder, train longer and perform better. It delivers superior performance and condition even when your horse has trouble gaining weight.

Product Features:

-  Highly digestible fat from vegetable sources provides the extra nutrition to help support performance, endurance and weight gain
-  An extruded combination of high-fat rice bran and flaxseed for an improved blend of omega-6 and omega-3 fatty acids
-  Added prebiotics and probiotics help support nutrient digestion
-  Organic trace minerals from organic complex sources to maintain balanced trace mineral levels in the total diet

Feeding Directions:

Type of Horse	lbs. per head per day
Maintenance	0.5 to 1.0
Light to Moderate Work	1.0 to 2.0
Moderate to Heavy Work	2.0 to 3.0
Lactating Mares	1.0 to 3.0
Breeding Horses	1.0 to 2.0

Use the feeding table as a guide to supplementing with Empower[®] Boost, and feed along with a complete, well-balanced diet, including good quality hay or the pasture equivalent.

If the horse's manure becomes loose, reduce the amount of Empower[®] Boost in the diet slightly until the horse adjusts. Then increase slowly again to the desired level.

Empower[®] Boost contains added minerals and Vitamin E so it can be fed with a balanced diet, without diluting the mineral balance in the total diet.

CAUTION: Store feed in a clean, cool and dry location. Storage area should be free of insects and rodents. Do not allow animals access to feedstuffs that show signs of insect or rodent infestation. Do not allow animals access to hot or moldy feedstuffs at any time.
